

KINGSTON CANADIAN FILM FESTIVAL

CIRCLE
OF
SUPPORTERS

Your KCFE Circle of Supporters membership directly supports the development of local filmmaking; through our new arts venue, the Broom Factory, KCFE offers workshops, masterclasses, mentorships, screenings, panels, and other creative programs to inspire and develop our filmmaking community. Our programs act as launchpads for emerging artists, providing cost and barrier-free opportunities. You can learn more about our year-round projects and events on our website!

As a charitable organization, we rely on community support to launch and sustain our year-round programs. With your generous donation, you will receive a charitable tax receipt, exclusive benefits, and access to behind the scenes year-round experiences. Join the KCFE Circle of Supporters today!
